Beogradska mehanička ventilacija

PROGRAM

**X beogradska mehanička ventilacija
međunarodni kongres
Hotel Mona Plaza, Beograd, 14-15.06.2024.**

**PROGRAM of
10th Belgrade Mechanical Ventilation
International congress 2024
Hotel Mona Plaza Belgrade, 14-15.06.2024.**

Lekari, medicinske sestre, zdravstveni tehničari

Akreditacioni broj: A-1-1054/24

Broj odluke Zdravstvenog saveta Srbije:

153-02-239/2024-01 od 27.05.2024.

Predavači: 15 bodova

Polaznici: 10 bodova

JUNE 14th, 2024

16:30-16:45

OPENING CEREMONY

Assoc. Prof. dr Dejan Marković

President of Organizing committee, 10th Belgrade Mechanical Ventilation

Prof. dr Nebojša Lađević

President of Serbian Pain Society, Director of CEEA Serbia

Prof. dr Radmilo Janković

President of the Serbian Association of Anesthesiologists and Intesivists

Chairs Massimiliano Sorbello, Radmilo Janković, Nebojša Lađević, Dejan Marković

16:45-17:05

PEEP and driving pressure

Javier Garcia Fernandez

Professor, Director of the Department of Anesthesia in Hospital Universitario Puerta de Hierro Majadahonda, Madrid; President of the Spanish Society of Anesthesiology, Resuscitation and Pain Therapy (SEDAR), Spain

17:05-17:25

CO2 rebreathing during NIV: relevance and solutions

Giuseppe Foti

Assoc. Professor, School of Medicine and Surgery, University Bicocca, Milan, Italy

17:25-17:45

“The Project for Universal Airway Management: the end or a new beginning?” PUMA

Massimiliano Sorbello

Director of UOC Rianimazione PO Giovanni Paolo II - Ragusa, Italy; President of EAMS - European Airway Management Society

17:50-18:10

Human factors in airway management, should we care?

Gerardo Cortese

Professor, Department of Anesthesia, Intensive Care and Emergency, 'Città Della Salute E Della Scienza', Turin, Italy

18:15-18:30

Mechanical ventilation in COPD patients

Carlo Alberto Volta

Professor, Director of the Section of Anesthesia and Intensive Care with S. Anna University Hospital, University of Ferrara, Italy

18:35-18:45

„TAT“ course European airways management society /Awarding of Certificates

18:45-19:00

„Il School of mechanical ventilation“/ Awarding of Certificates

JUNE 15th, 2024

HALL 1

Chairs

Javier Garcia Fernandez, Dejan Marković

09:30-09:45 **Pathophysiological principles of thoracic anesthesia**

Radmilo Janković

Professor, Clinic for anesthesia and intensive therapy
University Clinical Centre of Niš; President of the Serbian
Association of anesthesiologists and intensivists, Serbia

09:50-10:05 **Vaping-associated respiratory distress syndrome what do we know about it?**

**Marija Jovanovski
Srceva**

Professor, University Clinic of Skopje, University Cyril and
Methodius, Medical Faculty, North Macedonia

10:10-10:35 **Mechanical ventilation, physiological approach**

**Javier Garcia
Fernandez**

Professor, Director of the Department of Anesthesia in
Hospital Universitario Puerta de Hierro Majadahonda, Madrid;
President of the Spanish Society of Anesthesiology,
Resuscitation and Pain Therapy (SEDAR), Spain

10:40-10:55 **PEEP titration in ARDS - which approach?**

Vincenzo Russotto

Assistant Professor, University Hospital San Luigi Gonzaga,
University of Turin, Italy

11:00-11:15 **Advanced monitoring of respiratory function**

**Carlo Alberto
Volta**

Professor, Director of the Section of Anesthesia and
Intensive Care with S. Anna University Hospital, University of
Ferrara, Italy

11:20-11:45 **Helmet NIV and bedside assessment of recruitability**

**Domenico Luca
Grieco**

Professor, Department of Emergency, Intensive Care
Medicine and Anesthesia, Fondazione Policlinico Universitario
A. Gemelli IRCCS, Rome, Italy

11:45-12:00 **VAP and CAP treatment guidelines**

Jovan Matijašević

Professor, Institute for Pulmonary Diseases of Vojvodina,
Clinic for Urgent Pulmonology, Intensive Care Unit, Sremska
Kamenica, Serbia

12:00-12:30

COFFEE BREAK

HALL 1

Chairs

Ivan Palibrk, Radmilo Janković

12:30-12:45 **Difficult airway in OR**

Gerardo Cortese

Professor, Department of Anesthesia, Intensive Care and Emergency, 'Città Della Salute E Della Scienza', Turin, Italy

12:50-13:05 **How to ventilate morbid obese patients?**

Ivan Palibrk

Professor, Medical Faculty University of Belgrade, Center for anesthesiology and reanimatology University Clinical centre of Serbia, Belgrade, Serbia

13:10-13:25 **Difficult airway in ICU. The emerging concept of Physiologically Difficult Airway**

Massimiliano Sorbello

Director of UOC Rianimazione PO Giovanni Paolo II - Ragusa, Italy, president of EAMS - European Airway Management Society

13:30-13:45 **Diaphragm dysfunction and MV, diaphragm protective ventilation**

Dejan Marković

Assoc. Professor, Medical Faculty University of Belgrade, Center for anesthesiology and reanimatology University Clinical centre of Serbia, Belgrade, Serbia

13:50-14:05 **Echocardiographic diaphragm assesment during MV**

Luigi Ia Via

Department of Anesthesia and Intensive Care, A.O.U. Policlinico-San Marco, Catania, Italy

14:10-14:25 **NIV or HFNC after extubation of high risk critically ill patients**

Vincenzo Russotto

Assistant Professor, University Hospital San Luigi Gonzaga, University of Turin, Italy

HALL 2

Chairs

Gordana Jovanović, Peđa Kovačević

12:30-12:45 **Weaning from mechanical ventilation. SBT, T-piece or not?**

Dragana Unić Stojanović

Associate Professor, Medical School University of Belgrade, University Hospital for cardiovascular disease Dedinje, Belgrade, Serbia

12:50-13:05 **Corticosteroids in sepsis, ARDS and CAP: 2024 guidelines**

Gordana Jovanović

Professor, Medical Faculty University of Novi Sad, University Clinical centre of Vojvodina, Novi Sad, Serbia

13:10-13:25 **How to titrate PEEP during NIV**

Aleksandra Plećaš

Assistant Professor, Medical Faculty University of Novi Sad;
University Clinical centre of Vojvodina, Novi Sad, Serbia

13:30-13:45 **VV ECMO and immunoabsorption in respiratory failure**

Peđa Kovačević

Professor, Medical Intensive care Unit, University Clinical
centre of Republic of Srpska, Banja Luka, Bosnia and
Herzegovina

13:50-14:05 **Nutritional support during MV**

Marija Đukanović

Assistant Professor, Medical Faculty University of Belgrade;
Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia

14:10-14:25 **ECCO2 removal - Prisma Lung**

Ana Andrijević

Assistant Professor, Institute for Pulmonary Diseases of
Vojvodina, Clinic for Urgent Pulmonology, Intensive Care Unit,
Sremska Kamenica, Serbia

14:30-16:00

LUNCH

HALL 1

Chairs

Nebojša Lađević, Marija Jovanovski Srceva

16:00-16:15 **New antimicrobial possibility**

Nebojša Lađević

Professor, Medical Faculty University of Belgrade; Director of
the Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia

16:20-16:40 **Procalcitonine use as guide of VAP treatment - supported by Thermo Fisher Scientific**

Radmilo Janković

Professor, Clinic for anesthesia and intensive therapy
University Clinical Centre of Niš; President of the Serbian
Association of anesthesiologists and intensivists, Serbia

16:45-17:00 **Strategies for VAP prevention**

Jelena Čumić

Assistant Professor, Medical Faculty University of Belgrade;
Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia

17:05-17:20 **VAP microbiological diagnosis**

Marija Stević

Associate Professor, Medical Faculty University of Belgrade,
University children hospital Tiršova, Belgrade, Serbia

HALL 2

Chairs

Jovan Matijašević, Ana Mandraš

16:00-16:15 **ARDS what is new? ATS and ESICM guidelines**

Nemanja Dimić

Assistant Professor, Medical Faculty, University of Belgrade,
University Hospital dr Dragiša Mišović, Belgrade, Serbia

16:20-16:35 **PEEP, MV and kidney function**

Ana Mandraš

Assistant Professor, Medical Faculty University of Belgrade;
Institute for mother and child health care dr Vukan Čupić,
Belgrade, Serbia

16:40-16:55 **Inspiratory muscle training**

Ranko Trailović

Assistant Professor, Medical Faculty University of Belgrade;
Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia

17:00-17:15 **Heart-lung interreaction during MV**

Vladimir Tutuš

Assistant Professor, Medical Faculty University of Belgrade;
Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia

17:20-17:35 **Where is the place for HFNO**

Nataša Petrović

Assistant Professor, Medical Faculty University of Belgrade;
Center for anesthesiology and reanimatology University
Clinical centre of Serbia, Belgrade, Serbia
