I announcement

Dear Friends and Colleagues,

I am proud to announce the **22nd Belgrade International Symposium on Pain (22nd BISOP).**

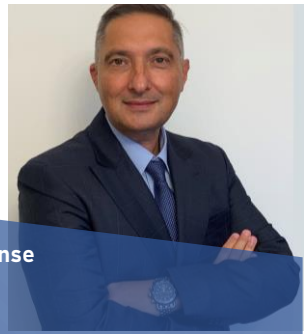
It will be held in Belgrade, Serbia on **May 8th, 2027.**

On behalf of the Organizing Committee, it gives me great pleasure to invite you to participate in this innovative and informative event, which will once again be the leading pain congress in Serbia. **BISOP** has developed into Serbia's most important multidisciplinary symposium in the field of pain medicine. The spacious congress center will provide ample room for all congress activities.

I extend a warm invitation to our friends and future friends to join us in Belgrade, Serbia, for the **22nd Belgrade International Symposium on Pain (22nd BISOP), May 8th, 2027.**

At the 22nd BISOP, we are focusing on how to translate evidence into practice, and we have prepared plenary sessions, workshops, and a poster session. To encourage participation from the host country, we have from the very beginning set up a registration system to make it affordable for them to attend. We acknowledge with gratitude the sponsors who make this event possible, as well as those of you who will come and help make the 22nd BISOP successful.

I look forward to welcoming you to the beautiful city of Belgrade and to a very successful congress.



We look forward to your positive response and thank you in advance
